(Sister of Confidence conducts the Majority Pledges once more past the Pledge Sister, under the Pledge sign, and on to the Altar forming the beginning of a triangle.)

Pledge Sister: Sister Chaplain, you will attend at the Altar.

(Chaplain leaves the East and stand in front of the Altar.)

(Pledge Sister raps up the Assembly with three raps.)

Sister Chaplain: Our Father, please bless our Pledge Sister(s) as she (they) continue on their journey and fulfill the Pledge she (they) made at your Altar. May the lessons learned here ever be her (their) guide. We pray that she (they) will continue to serve Thee as a member of the International Order of the Rainbow for Girls. Amen.
Arise my sister(s).

(Chaplain will return to the east completing the triangle.)

Pledge Sister: Sister of Confidence, you will escort our Majority Pledge(s) to the east. The Pledge Mother(s) of our Majority Pledge(s) will approach the east.

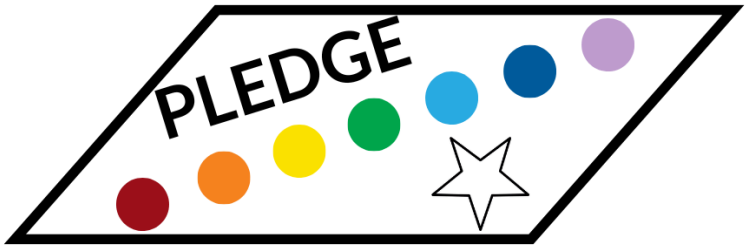

(When Majority Pledges reach the east, the Pledge Sister takes back candles and extinguishes them with assistance of the Sister of Confidence.)

Pledge Sister: My sister(s), you have now completed your final journey as a Pledge Sister and the candle which lit your way has been extinguished. Its glow however, will never be extinguished as long as you continue to live by the lessons taught here. You are now a "big sister" and as such I challenge you to hold your hand out to our Pledge Sister(s) so that they too may fulfill their pledge to Rainbow.

Your Pledge Mother(s) and our Supreme Deputy/Inspector will now present you with your Majority Pledge certificate.

Sister of Confidence, you will escort our sister(s) to her (their) seat(s).

PLEDGE MAJORITY SERVICE

Pledge Sister: The following sisters have joined Rainbow since last year at this time:

(Pledge Sister reads Pledge Majority names and biographies)

My sister(s), but a short time ago you travelled this room as a Pledge to Rainbow. Your make-believe journey taught you many lessons which have aided you on your path to your eleventh birthday.

Sister of Confidence will take you on a final journey once more around our Assembly Room so that our lessons will always be a special memory for you now that you are a Rainbow Girl and have fulfilled your pledge to Rainbow.

Sister of Confidence, you will conduct our sister(s) to the station of the Associate Pledge Sister.

(Sister of Confidence leads the Majority Pledge(s) once around the Assembly Room and then south, west and north -- stopping at the station of the Associate Pledge Sister.)

Sister of Confidence: Associate Pledge Sister. I present to you this (these) Majority Pledge(s) who has (have) attained her (their) eleventh birthday and is (are) making her (their) last journey as a Pledge.

Associate Pledge Sister: My sister(s), when you were initiated I gave you a candle to light your way throughout your make-believe journey. You are no longer a fragile bud but have matured into a beautiful blossom in the form of a young lady. Once again, I hand to you this light, in order that it may guide you on your way. May its glow always shine brightly on your journey through girlhood.

Sister of Confidence, you will conduct our sister(s) to the station of the Sister of Happiness.

(Sister of Confidence leads the Majority Pledge(s) north, east, south and west stopping at the station of the Sister of Happiness.)

Sister of Confidence: Sister of Happiness, I present to you this (these) Majority Pledge(s) that you may help her (them) on her (their) last journey in our Assembly Room.

Sister of Happiness: My sister(s), in this life you have learned through our teachings that some days are not as pleasant as others. With hope and happiness in your heart, your journey through life will be lit as brightly as the candle you carry. The happiness that you share will make life better for those you meet on your journey through life and give new hope to those who need encouragement.

Sister of Confidence, you will conduct our Majority Pledge(s) to the station of the Sister of Kindness.

(Sister of Confidence leads the Majority Pledge(s) west, north and east stopping at the Station of the Sister Kindness.)

Sister of Confidence: Sister of Kindness, I present to you this (these) Majority Pledge(s) that you may give her (them) a final word of advise as her (their) journey nears its end.

Sister of Kindness: My sister(s), since becoming a Pledge you have learned that our Rainbow Sisters, like every "big" sister, have always been ready to help you. You have seen their acts of kindness and unselfishness, their respect and consideration of others. You have learned by their example and are now ready to continue your journey. Let the lessons you have learned here be your guide throughout your life as a Rainbow Girl.

Sister of Confidence, you will conduct our sister(s) once more to the Altar and place them in a kneeling position before it.
